French Roll Back Germans Who Launch Great Counter Attack to Regain Lost Ground.

ARTILLERY IS ACTIVE ON VERDUN FRONT

Sir Douglas Haig Reports Further Successes For British in Picardy-Capture Foreaux Woods.

International News Service: PARIS, July 21 .- A terrific German counter-attack, launched against the French positions south of Soye court, in the Somme sector, was repulsed with heavy losses, the French war office announced in the official communique issued today. Coutside of this attack the night was calm on the rest of the Somme

In the Verdun sector the Germans continued their heavy bombardment of French positions, the artillery duel being extremely violent in the sectors of Chattancourt and Fleitry.

Officail Report. The text of the official commu-

nique follows: "South of the Somme the enemy launched late yesterday a counterattack against our new positions south of Soyecourt. A battalion which led the assault caught by our curtain fire and our machine gun dire, was rolled back in disorder at- Penrose Gets "Ads" Against ter suffering very great losses. The night was calm on both sides of the

Somme. "In the region of Fort Chaulnes, an enemy detachment which tried to reach our line south of Maurcourt, was repulsed with the bayonet.

"Between Soissons and Rheims northeast of Vendresse, our reconnoitering party, with the help of mine explosion penetrated an enemy trench which they cleared of its defenders by using grenades.

Artiflery is Active. "At Verdun the artillery on both sides displayed great activity in the sectors of Chattancourt and Fleury "In the Vosges an attack launched following a violent bombardment against our positions, north of Wis

sembach, was unsuccessful. "On July 20 and the same night our aerial squadrons bombarded several impartant points on the enemy's front. A number of projectiles of large calibre were dropped upon the railway stations at Conflans, Mars-ia-Tour, Longuyor and Breilles and on the railway junction at Ham. The open towns of Baccarat and Luneville were bombarded by hostile aeroplanes on July 18-19 Only property damage was caused Reprisal methods will be adopted

LONDON, July 21 .- Today's of ficial report from Sir Douglas Hair to the war office announces further success for the British troops in Pic ardy. It shows that the fighting is of a terrific character, the Germans striving to regain positions taken Resolution Asks from them.

for this act in the future.

The British troops succeeded capturing Foreaux wood, which th Teuton soldiers had strongly fortified, but the enemy immediately made a counter-attack which was partly successful. It is a significant feature of the recent reports that the International News Service; Germans, white attaining some success in these counter-attacks are not sponse to complaints from parents able to take in one rush what the Britishers have seized.

Severe lighting is also in progress at the Leipsig redoubt, another strong German fortification north of calling for an inquiry by congress the Somme, as well as in Delville linto the general national guard sit-
